## PROJECTS

---

### DevSync Hub – Collaborative Developer Workspace

June 2025 – Present

*React, Tailwind, Spring Boot, MySQL, JWT Auth*

*Live: devsynchub.xyz*

- Built a Java-based full-stack collaboration platform where developers can **create tasks, manage sprints, and collaborate** in real time.
- Developed **Spring Boot REST APIs** with JWT authentication, activity tracking, team management, and optimized query performance.
- Enhanced the React UI with reusable components, seamless routing, and efficient state management to improve overall user experience.

### CampusServe – University Utility & Complaint Portal

Feb 2025 – Apr 2025

*Java, Spring Boot, SQL, REST API, JWT, React*

*Live: campusserve.in*

- Developed a full-stack service portal enabling students to **submit complaints, track progress, and request campus services**.
- Designed and deployed **Spring Boot REST APIs** with layered architecture, validation, and JWT-based authentication.
- Integrated a React admin dashboard for managing service requests, worker assignments, and analytics dashboards.

## INTERNSHIP

---

### Full Stack Developer Intern – Innoknowvex

Jan 2025– June2024

- Developed and deployed full-stack applications using **JAVA, Spring Boot, Hibernate, MySQL, React, and REST APIs**, following clean and scalable architecture.
- Built backend modules with Spring Boot, implemented secure authentication, and optimized API performance.
- Designed responsive React components, improved page load speed, and enhanced overall user experience.

## ACHIEVEMENTS

---

- **Secured 2nd Place at GDG HackFest 2024** — built an end-to-end full-stack solution within 24 hours, competing among 300+ participants from various universities.
- **Solved 600+ problems on LeetCode**, strengthening data structures, algorithms, and problem-solving skills with consistent daily practice.
- **Contributed to Open-Source** through programs like **GSSoC** and **Hacktoberfest**, submitting meaningful PRs, improving documentation, and collaborating with global developer communities.
